PAPAKURA TAEKWON-DO

Best Club

What can I say? Congratulations, well done and thanks. We had the most entries in the Regionals, and won 4 out of the 5 best belt awards, plus Best Club! Many of our black belts officiated and parents helped with seconding and supporting.

Fees

We have a change for those of you on automatic payments. From now on, automatic payments will be deducted to \$30 per month for adults and \$20 for students. This is down from \$35 and \$25, but will be for 12 months of the year (even though we don't train over Christmas).

There is also a new bank account:

BNZ Manurewa 020358 0202651-03
TKD A/c.

Nationals

Our club has been volunteered (by me) to set up for the Nationals, on Friday night, 27th July, at the Bruce Pullman Centre (same venue as the Regionals). We will need help from parents too, as some of us may be busy at the officials meeting on the same night.

World Champs

Please keep your eye on the ITFNZ website to see how the team get on in Italy. From our club, Dan Jackson and Toni Moki are competing. Mark Banicevich is on the organising committee and I am coaching. We leave at 5.30pm Wednesday 27th June. The website address is www.itfnz.org.nz/news/italy.

Mr Impson is looking after club while we are away - with the assistance of Mr Beard and the other black belts. Please give them your full support.

Thanks to everyone for a great year of TKD so far. I look forward to the Worlds, Nationals, Ausi Invitational, Conference, gradings....

Practice hard - see you when we get back.

Instructor
