PMP NEWS - DECEMBER 2013

Final sessions

Last week of training is next week (beginning Mon 9th Dec).

Waiau Pa club are still training the following week (Tue & Thu 6.30 pm) and all PMP members are ALWAYS welcome to attend those sessions at no extra cost. (There is no training at Waiau Pa next week however as we can't get the hall)

Training over Xmas

DS Papatoetoe club trains right throughout Christmas and everyone is also welcome to attend those sessions free of charge. They are mainly "do your own thing" sessions but it's great to keep up at least some training over the holidays.

We are having casual "preseason" sessions as we normally do - at Totara Park, Manurewa, 6-7 pm on the following dates: Mon 20th, Wed 22nd, and Wed 29th Jan. Dress is casual (eg dobok pants & T-shirt, running shoes, drink bottle). All welcome including mini-kids and Kubz. See you there.

Fee payments

A reminder that our fees are calculated on a per session basis including your registration fees to itkd, then divided into monthly or weekly payments. So automatic payments should continue over December / January even though we take a break. Remember also that trainings are available over this period as listed above.

Next year

All Monday & Wednesday Minikids are invited to attend the Thursday Mini-Kids as an extra session each week at no extra charge. It is held at Takanini Hall, Takanini Road at 5 pm.

We are looking a for a new venue for our Kubz and Thursday minikids as the Takanini Hall is very noisy. If anyone knows of a small (maybe carpeted) space for lease in the area please let me know.

First formal sessions for 2014 start the week of **Monday 3rd February** - except for our Thursday Mini-kids which will start the following week (as the 6th is Waitangi day).

Thanks

Thanks to all our members and families for being so awesome. Thanks to my amazing instructors for sharing their knowledge with us all. Have a great Christmas.

Paul McPhail
