### PAUL M TKD WAI AU PA INC

Paul M TKD Waiau Pa is to become an "incorporated Society". This means the members of the club will have say in the running of the club and it will mean much better access to funding too. It also means that we will need the full support of the members and parents of the club - especially those that would like to be on the committee.

We are planning to have the first official meeting of the new incorporated club on **Tuesday 22nd April at 7.30 pm**. At this meeting we need to elect a President, Secretary, Treasurer and several committee members. If you are interested please attend the meeting and put your name forward.

### Brief History of the Club

Paul M Taekwon-Do Waiau Pa was established in 2004. The main goal and purpose of setting up the club was to help ITFNZ expand. It was set up as a part of the Paul M TKD clubs, with Mr Jackson as the Instructor.

Master McPhail extended an offer to Mr Jackson near the end of 2006 that at any stage he wanted to take over the running of the club as a non-profit organisation, he would be welcome to do so. This would enable members to get funding, and would also help to unify the members as they would then have total control of the club.

Now is that time. A constitution has been prepared and the club will become an incorporated society. This is an exciting time for Paul M TKD Waiau Pa. A huge thank you to Mr Jackson, the Clencies, the Kendalls and the other key members and parents of the club.

### New Kids Class

One of the new ideas that has been suggested is to run a separate Kids Class, prior to the main class. Mr Jackson is looking at this idea at moment. The idea is to fully cater for the younger ones, as well as give some of the seniors the opportunity to practice their instructing skills.

We are still keen to keep family groups training together, so there will need to be flexibility with the training times. Any suggestions you have would be welcome.

### Thank You

Can I take this opportunity to thank everyone who has supported Mr Jackson and myself for so long. This year has been difficult due to Mr Jackson having to work evenings. I am confident this new setup and the committee will bring about huge growth in the club and it will go from strength to strength.

**Master Paul McPhail**
